

Job opportunities

The BOA committee is seeking more manpower. There are vacancies for one Ordinary Committee Member and also for an Honorary Secretary.

Honorary Secretary

Fairly significant responsibilities... but many of you out there have handled much harder jobs. Preparation and reports for monthly meetings; having an input in procedural and similar matters; being the 'hub' in the group's activities. Ordinary Committee Member

Not so ordinary at all. Just willing to take part in the monthly meetings, add knowledge, wisdom, skills and energy in order to advance some of the activities and topics which are listed in the President's Report on pages 6 and 7. Contact any of the Committee Members listed above.
